**PRINT THAT IS FINE AS HELL:**

Extra rows on irregular shapes are encouraged! They can really make your stitching pop. 2 - 3 rows is perfect. Finishing currently starts at \$40 with free shipping. Estimated turnaround time is 8 to 12 weeks.

I currently do not offer embroidery on back fabric.

Blocking is not necessary.

I use standard DMC Embroidery thread for cording. If you are interested in other particular thread for cording, additional rates will apply.

Loyalty cards are included in all finishing. Purchase 10 finishes and the 11th is free.

Single orders over \$100 earn a free "Stitch Your Heart Out" sticker.

Letter & number beads are 50 cents/bead.
